

Mixed Sex Accommodation Compliance

2gether NHS Foundation Trust is pleased to confirm that we are compliant with the Government's requirement to eliminate mixed-sex accommodation, except when it is in the patient's overall best interest, or reflects their personal choice. We have the necessary facilities, resources and culture to ensure that patients who are admitted to our hospitals will only share the room where they sleep with members of the same sex, and same-sex toilets and bathrooms will be close to their bed area. We have invested in our buildings and have en-suite facilities in many of our inpatient wards.

This compliance statement was reviewed in July 2013.
